Banca Sistema Group

Banca Sistema, founded in 2011 and listed since 2015 on the Euronext Star Milan segment of the Italian Stock Exchange, is a financial institution specializing in the purchase of commercial receivables owed by public administrations and tax credits. It is also active in salary and pension-backed loans (CQS), both through portfolio acquisitions and direct product origination under the QuintoPuoi brand. Additionally, the bank offers deposit products, including current accounts, term deposits, and securities accounts, and provides various other services such as securitization servicing, credit management and recovery, guarantees and sureties, certification of public administration receivables, and electronic invoicing.
Kruso Kapital S.p.A., listed on Euronext EGM and part of the Banca Sistema Group, is the first operator within a banking group active in both the pawn credit business, through the ProntoPegno brand in Italy and Greece and Credito Economico Popular in Portugal, as well as in the auction market for precious items, artworks, and other collectibles through Art-Rite. With offices in Milan and Rome, the Banca Sistema Group also has a presence in Italy in Bologna, Pisa, Naples, Palermo, Asti, Brescia, Civitavecchia, Florence, Livorno, Mestre, Parma, Rimini, Sanremo, and Turin, as well as in Spain, Portugal, and Greece. The Group serves over 100,000 clients, employs 356 people, and operates through a multi-channel structure.
